

## TUITION, FEES, AND CHARGES

Charges are subject to changes as directed by the Board of Trustees. Central Christian College of Kansas reserves the right to make changes without prior notice. All tuition charges will be set and disclosed at least 90 days prior to date they become effective.

Tuition is based on the program of enrollment in which the student is associated and is not adjusted for courses taken in different learning environments. Thus, a residential student taking courses through an online environment will be charged at the residential tuition rate.

All accounts are due at the beginning of each term. Students that are unable to pay the full balance at the beginning of the term may opt to pay their balance through payment plan. Accounts will be evaluated at the end of each semester and students who are not faithful to the agreement run the risk of being dismissed from the College until their balance is paid in full.

In regards to students utilizing Veteran Education Benefits, CCCK will not impose any penalty on a Chapter 31 (VR&E) or Chapter 33 (Post 9/11) recipient due to their inability to meet their financial obligations due to the delayed disbursement of a payment by the U.S. Department of Veterans Affairs. This includes the assessment of late fees, the denial of access to classes, libraries or other institutional facilities, or the requirement that they borrow additional funds above the cost of tuition/fees. They will, however, be required to provide proof of their eligibility for benefits and proof that said benefits will cover all charges for the semester.

### STUDY ABROAD AID

Students studying in an approved study abroad program are charged the standard full-time tuition or program tuition, whichever is higher. The College bills the student for any additional fees that are billed to the College that are non-tuition related (e.g. room, board, travel, insurance, administrative fees, etc.). If the total cost of a program billed to the College is higher than the overall cost of the College the student is charged the difference.

Academic and non-talent based aid, provided by the College, may be applied to approved Study Abroad programs (i.e. Best Semester, Student International).

Unless otherwise approved by the sponsoring sport or department, talent-based aid will not be applied to Study Abroad programs.

The College assess a \$200.00 fee for administrative fees related to any Study Abroad program. Textbooks are the responsibility of the student.

### REFUND POLICY

In compliance with federal regulation, Central Christian College of Kansas maintains a fair and equitable refund policy. This policy encompasses both Institutional and federal regulations.

Students are responsible for all costs related to the term in which they are registered, regardless of attendance in any particular course.

Federal regulations require that the College recalculate a student's eligibility for financial aid if they leave the College without completing their term of enrollment. Based on the percent of the term completed, the College is required to return funds to the federal student aid programs. In addition, the College prorates any institutional funding received (i.e. scholarships, grants, etc.). This reduction in financial aid eligibility often creates a balance due to the College. For this reason, we strongly recommend that any student considering withdrawing during a term or semester contact the Office of Financial Aid to discuss the financial impact of their decision with a counselor.

The regulations that govern federal refunds are separate from the institutional refund policy.

### INSTITUTIONAL REFUND POLICY

Depending on the point at which a student withdraws from the College, he or she may be eligible for a tuition refund.

The refund calculation does not include any fees associated with the term. In keeping with the policies of the Kansas Board of Regents, the refund is calculated using the following gradations:

#### School of Liberal Arts and Sciences (Term Based – Non-Sequential Courses)

Withdrawing before the end of the first week of courses	100% Tuition Refund
Withdrawing through the third week of courses	70% Tuition Refund
Withdrawing through the fifth week of courses	50% Tuition Refund
Withdrawing through the seventh week of courses	30% Tuition Refund
Withdrawing after the seventh week of courses	0% Tuition Refund

There are no refunds related to room charges once classes have begun and the student attends a class. A student may receive up to a seventy-five percent refund of board charges, based on a prorated calculation.

SAS students enrolled in any modular course will be responsible for full charges on day seven of the course.

Withdrawal from courses, prior to the Official Add/Drop date may affect financial aid and athletic eligibility. Additionally, withdrawing from a course at any point in the semester, may affect residential and student status.
