

TUITION, FEES, AND CHARGES

Charges are subject to changes as directed by the Board of Trustees. Central Christian College of Kansas reserves the right to make changes without prior notice. All tuition charges will be set and disclosed at least 90 days prior to date they become effective.

Tuition is based on the program of enrollment in which the student is associated and is not adjusted for courses taken in different learning environments. Thus, a residential student taking courses through an online environment will be charged at the residential tuition rate.

All accounts are due at the beginning of each term. Students that are unable to pay the full balance at the beginning of the term may opt to pay their balance through payment plan. Accounts will be evaluated at the end of each semester and students who are not faithful to the agreement run the risk of being dismissed from the College until their balance is paid in full.

Students in online programs must have their balance paid in full prior to the end of the semester. No payment plan will extend beyond the semester in which the charges are earned. Students failing to pay in full by the end of the semester will not be allowed to continue into the next semester until their balance is paid in full.

In regards to students utilizing Veteran Education Benefits, CCKK will not impose any penalty on a Chapter 31 (VR&E) or Chapter 33 (Post 9/11) recipient due to their inability to meet their financial obligations due to the delayed disbursement of a payment by the U.S. Department of Veterans Affairs. This includes the assessment of late fees, the denial of access to classes, libraries or other institutional facilities, or the requirement that they borrow additional funds above the cost of tuition/fees. They will, however, be required to provide proof of their eligibility for benefits and proof that said benefits will cover all charges for the semester.

STUDY ABROAD AID

Students studying in an approved study abroad program are charged the standard full-time tuition or program tuition, whichever is higher. The College bills the student for any additional fees that are billed to the College that are non-tuition related (e.g. room, board, travel, insurance, administrative fees, etc.). If the total cost of a program billed to the College is higher than the overall cost of the College the student is charged the difference.
